TCI HALF YEAR MEETING 2014

In the wonderful part of Sweden at Hook Herrgaard the first TCI HYM took place on the 24th October 2014.

The meeting was hosted by Tangent Sweden – and we were all part of the Tangent Sweden HYM, that took place at the same time – and we did manage to understand Swedish and as always the appointed hostess translated in the best way for all to understand and follow the meeting and the lecture given of the plague: Rats.

Thank you Tangent Sweden for a wonderful HYM, we hope to see even more participants for the TCI HYM 2015.
